

PhotoSCENE 2018 - A Natural History Photographic Competition

The PhotoSCENE competition, sponsored by GNHS and Glasgow University Institute of Biodiversity, Animal Health and Comparative Medicine, aims to promote interest in Natural History and the work of SCENE (Scottish Centre for Ecology and the Natural Environment, the University's field station at Rowardennan), promote linkage between the Institute and the Society and provide pictures for publicity. All entrants are thanked for making the effort to enter the competition. Prizes totalling £800 per year have been awarded at the Society's photographic nights. Since the first competition in 2011, and together with talks from members, the competition has provided us with an interesting photographic evening each February. This year there were 155 entries from 37 people. Here are the first prizewinners:

Fungi by Helen Costin

Southern double-collared sunbird by Chiara Crestani

Arctic terns by Freya Coursey

Electrofishing by Isabel Moore

Purple Saxifrage by Jaime Villacampa

Mute swan by Yasmin Parr
